Coming up with a name for a restaurant is a daunting challenge. This is especially true if you serve a diverse customer base. After long nights of brainstorming we arrived at 'La Bu La' (lah-boo-lah), our new, unique identity. "La" is Chinese for "spicy", "Bu La" stands for the opposite.

Regardless of your preference, you will find a wide variety of choices. Be bold and take a trip on our wild side menu or enjoy classic American-Chinese dishes from our regular menu. We pride ourselves in quality Szechuan food so the only question you need to answer for yourselves is whether you want to go "La" or "Bu La".
